In this empowering picture book with a STEM focus, Charlotte, a budding bunny scientist, ignores the doubters and confidently finds a cure to the mysterious malady affecting the forest. I'd think it would be hard for Belcher to find new and more horrifying things to happen to poor Golgotha, but he manages to provide enough new horror to interest and carry along the reader while further developing his characters and the storyline.

His dream, was truly not a dream at all, but much rather memories of his life. The
